

## **SECOND HAND GOODS CLAUSE**

### **Attached to and forming part of the Property Insurance Policy**

It is hereby understood and agreed that the Insured will keep an accurate record of the purchase of all second hand articles taken into stock. In the event of any loss insured under this policy, the claim against the Insurer in respect of any such articles is not to exceed the cost price to the Insured, or the actual cash value of the articles, whichever is the least.

Except as otherwise provided by this form, all terms, provisions and conditions of the policy shall have full force and effect.
